IMPORTANT POINTS TO NOTE:

- Registrations close on **Friday 8th November 2024** (as per details on registration form).
- **Only those that register will be able to attend due to transport and catering numbers.**
- Mode of transport for the tour will be dependent on final numbers. However currently we are looking at transportation via minivans. Please note the meeting point at BDO Gisborne Carpark is at 8.00am - please ensure prompt arrival as we intend to do a few administrative tasks before we depart at 8.30am.
- Please bring suitable footwear (ie gumboots or covered shoes) and rain jackets in the event of bad weather. If the weather is wet, the programme will still continue as the farm roads are all weather. The only thing that will stop the tour is a significant weather event.
- In the event that a significant weather event is forecast, a decision will be made three days before the farm tour. Please include full contact details on registration form.
- Snacks, refreshments and a BBQ lunch will be provided on Sunday.
